Surf City Borough Flag

Archie Vassiliadis, a founding member and past Officer of the Association, created a beautiful design that incorporates the town's history of whaling and the Borough's present status as a premier family resort. The flags are deep blue with white graphics and are available either with grommets or a pole sleeve, depending on mounting style. Also included with each purchase is a brief history of Surf City written by local historian, the late John Bailey Lloyd. **A new printing of the flags was done with the help of the Surf City Pharmacy.** Get a flag today and display your pride in Surf City!
